HOW TO ORDER

Send the press make and tonnage, material, thickness, feature and annual volume.

We review the brief, confirm feasibility and quote against the application.

Special tooling is quoted from the drawing or sample.

Tooling trials and load tests are agreed before production release.

tacpalpvtltd@gmail.com 0.6 +91 9999003397 India

Specifications are application-specific. Confirm the tool load and geometry against your press before ordering.
